

## **Quick Golf Rules**

### **Simple instructions (Quick Game):**

1. Roll the 9 dice.
2. Set aside the lowest score. (Check the corresponding die)  
We must put at least one aside.
3. Roll the remaining dice again.
4. Repeat steps 2-3 until all 9 dice have been checked.
5. Add the total of the 9 dice to get your score for the first 9 holes.
6. To play 18 holes, repeat steps 1 through 4, then add the two 9-hole scores.

### **Instructions with the corresponding dice of each Par (Par Game)**

1. Roll the dice corresponding to Par.
2. Record the lowest score on the score card.
3. Repeat steps 1-2 until all 18 holes are made.
4. Add up the total of 18 holes.
